"Come and do it! Don't think about it! Just do it and it will be the best week of your life. Come with an open mind and enjoy the phenomenal experience!"

Brian Moloney, Sutton, Dublin.

"I realised that I am more capable than I thought - I can write lyrics and naturally pick up things quickly. I would advise anyone to just DO IT! - it's fun, hard work and it really improves you on your instrument and teaches you new skills"

Emer Doyle, Raheny, Dublin.

"Do it! It rocks" ...this is my fourth time to do the Rockscool Camp and I love it!"

Fintan Moore, Athy, Co. Kildare.

"Brilliant! I would recommend it to anyone interested in music. The best part for me was listening back to the songs we recorded and going "Was that me?""

David Murray, Co. Dublin.

WELCOME TO THE FRANK KEARNS ROCKSCHOOL

This is Ireland's original Rockscool where young musicians learn how to play their instruments - guitar, bass, drums, vocals - in a creative and encouraging environment. **FK Rockscool is part of SALT Recording Studio, a fully professional recording studio.** The Rockscool is now firmly established as the first choice for young musicians seeking to learn more about Rock music. Getting there is easy - we are close to the Dart and Bus.

At the heart of the Frank Kearns Rockscool are our famous Rockscool Camps where students meet others of the same age, musical interest and skill level. Together they learn how to write songs from scratch, record them and produce an MP3 of their own work.

HALLOWEEN CAMP INTRODUCTION

Frank Kearns Rockscool Camps offer a completely unique opportunity for young budding rock musicians. If you are aged from 12 years to 15 years and play Guitar, Drums, Bass, Keyboards or sing and want to step out beyond the bedroom to learn more about the music you love, then FK Rockscool Camp is for you!

Rockscool Camps are held throughout the year during school breaks. Students get to explore their creativity using the latest technology in the exciting environment of a professional recording studio. During the camps, students from beginner to intermediate levels interact with other young musicians sharing similar musical interests. Together they create original songs from scratch and learn how to record, produce and mix their final work onto a Mp3

Tel (01) 839 5969. Mobile 087 276 5754. Email info@rockschool.ie

DEPOSIT AND CANCELLATION POLICY

A non refundable deposit of €100 must be paid on booking with the full balance payable no less than 2 weeks prior to camp start date.

Bookings received less than two weeks prior to camp start date will require immediate payment in full.

Course begins at 10am sharp every day except for last day when we finish at 4pm. Students are expected to be on time as we have to wait for everyone to be present before starting.

Students may not leave the studio without a tutors permission.

Any student causing unacceptable disruption to the Rockscool and fellow students will be warned once and then at discretion of Frank Kearns or tutor acting on his behalf, may be asked to leave the course without a refund for unused time.

Students must report any problems immediately and directly to their tutor or Frank Kearns.

Equipment may be left in SALT Recording Studio for the duration of the course. However neither SALT Recording Studio or The Frank Kearns Rockscool is responsible for items lost or damaged during the course. It is recommended that all students attach a label indicating ownership of guitars, amps etc as they all tend to be VERY similar!

FILMING AND PHOTOGRAPHY

During the course there will be some photographs and video footage taken by tutors expressly for use in future publicity for the Rockscool including www.rockschool.ie website and Rockscool Facebook page. Photos and video will **never** be lent, sold or given to a third party. We gratefully request your permission. Please indicate below if you wish your child to be omitted from group photos and videos.

Permission is granted to SALT Recording Studio and SALT Rockscool to use pictures and any video footage of my child in promotional materials as described above.
